General information

The data, information and indications contained in this technical data sheet and in further documents relating to the Bloc outdoor by Ronan&Erwan Bouroullec product are the exclusive property by Ceramiche MUTINA S.p.a. This Technical Data Sheet provides the buyer with information relating to the use of the product useful for its correct installation and evaluation and prevention of risks arising from the normal use of the same.

collection	Bloc outdoor
design	Ronan & Erwan Bouroullec, 2025
production	Artisanal
material	Extruded terracotta, glazed extruded terracotta
nominal sizes	13.13.10 cm (5"-5"-4")
specification	– artisanal extruded partition elements, 10 cm thick – 3 finishing: natural, matt, glossy – 5 colours: Natural (natural finishing). Pearl, Grey, Red, Blue (glossy glaze finishing and matt painted finishing). This product is suitable for both residential and commercial areas, to be installed in walls with height of 4mt. These elements must in any case comply with the technical standards of construction regulation, applicable in the country where they are installed. For the Italian national territory, in particular, they should comply with standard NTC 2018 DECRETO MIN 27/01. For aesthetic outcome it is possible to install BLOC OUTDOOR using our wooden profile. The profile is painted and suitable for outdoor use. A top profile with removable sides is provided for ceiling fixing. As complementary pieces Mutina provide the Mutina adhesive, EC 1 plus for VOC emissions. For installation process see the installation video available on www.mutina.it. Bloc outdoor is suitable for outdoor areas complying with UNI EN 772-22 marked "F2- extreme exposure".
category	UNI 11128/2004

13.13.10 cm (5"-5"-4")

complementary pieces

To make the installation of these items easier, a Mutina adhesive is now available: organic, eco-friendly and sold separately.
